

# Artist Clip-on Studio Lamp

SATIN SILVER U31475

The Artist Clip-on Studio Lamp provides a high quality large stylish brushed aluminum finish. This product is an additional lamp specifically designed for the 'Artist Studio Lamp + Stand' (31375) product. Not only is this lamp extremely powerful (32W energy saving bulb 130W equiv.) but also spreads the light across a wide area which is ideal for large paintings. The natural bright white daylight™ technology also reduces eye strain and glare for healthy vision and allows true color correcting for color matching, ideal when painting or looking at photographs.
