

PITT® Artists' Pens

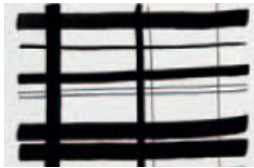

PITT® Artists' Pens are available in 58 different colors of India ink and 8 different nibs! The India ink is permanent, lightfast, waterproof, and smudge-proof. Faber-Castell® has combined all the benefits of ink art in a convenient, modern product – the PITT® Artist Pen!

Product features:

- Extremely lightfast, pigmented India ink
- Available in 61 colors (including metallics) and 8 nib sizes
- Odorless, water-based ink is permanent when dry
- Also available in the Big Brush range
- 40 of the 61 colors are rated with the 3 *** of light fastness

Practical Demo Exercise #1

Try out different nibs by drawing lines and strokes to discover the properties of each.

Practical Demo Exercise #2

Try to mix the colors: blend colors with water while they are still wet for a glaze-like effect.

Practical Demo Exercise #3

See the different shades of color you can create using only one pen. Draw a second and third time over the color to create many different values from a single pen!

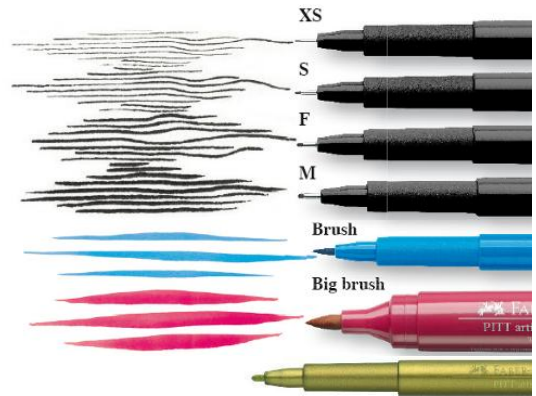

Differences between India ink and writing ink:

	India Ink	Writing/Marking Ink
Ink base	Pigments	Dye
Permanent?	Yes	No
Light Fastness	Very High	None
Storage	Horizontal	No matter
Applications	Drawing & Sketching	Writing & Marking

Different Nib Sizes
