Brush Grip

ROTATING PAINTBRUSH HOLDER

The Brush Grip holds all different sizes of paint brushes and is made to attach to: French Easels, Studio Easels, Pochade and Paint Boxes, Trays and Drawers, or almost anywhere

Customer Testimonials

"It's like having someone standing there, holding your brushes while you focus on painting."

If you suddenly find you need a different brush, for just the right stroke, the Brush Grip makes your change in brushes quick & seamless."

Product Features

- Holds and separates **up to 8 paintbrushes** and tools gently but securely
- Gentle gripping fingers **never wear out**
- **Mounts in any position**, even upside down!
- **Compact size** allows for easy storage and portability for plein air painting
- **Durable**, weather-resistant polymers
- **Ready-to-use**, in seconds

Package includes two methods of attachment:

1. Rubber strap with ratchetting bracket

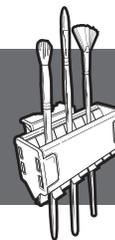

This method attaches the Brush Grip to the frame or leg of an easel or tripod from 1/2" – 2 1/2" diameter. The bracket allows it to rotate 360°.

2. Adhesive Hook & Loop Strips

This method may be used *instead* of the bracket to attach almost anywhere, including:

- the side of a pochade/paint box
- art cart/work bench
- an easel
