Assembly Guide

PARTS

Before you begin, peel off protective film and lay out pieces.

Step 1

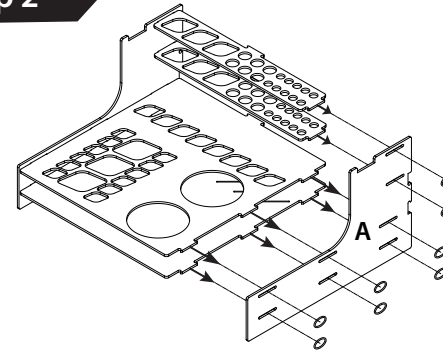

Insert tabs of part B through slots of part A and secure with Elastic Bands as shown.

Repeat with parts C and D.

PLEASE NOTE: diagonal slots of part B must be aligned with football-shaped holes of part C.

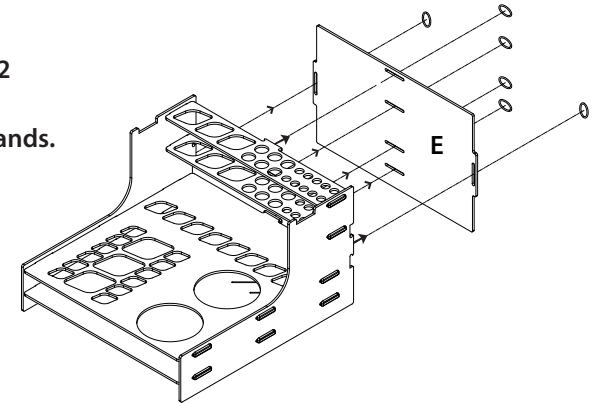

Step 2

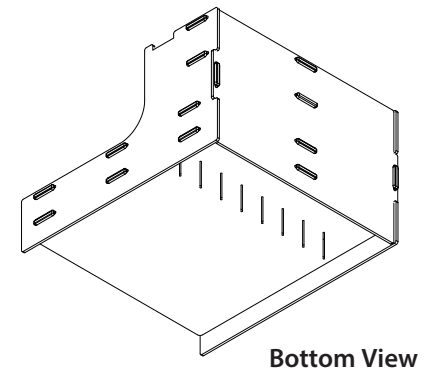

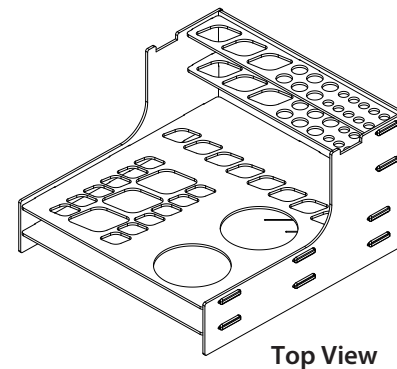

Repeat Step 1 on the opposite side with remaining part A.

Step 3

Insert back tabs of Step 2 through slots of part E. Secure with six Elastic Bands.

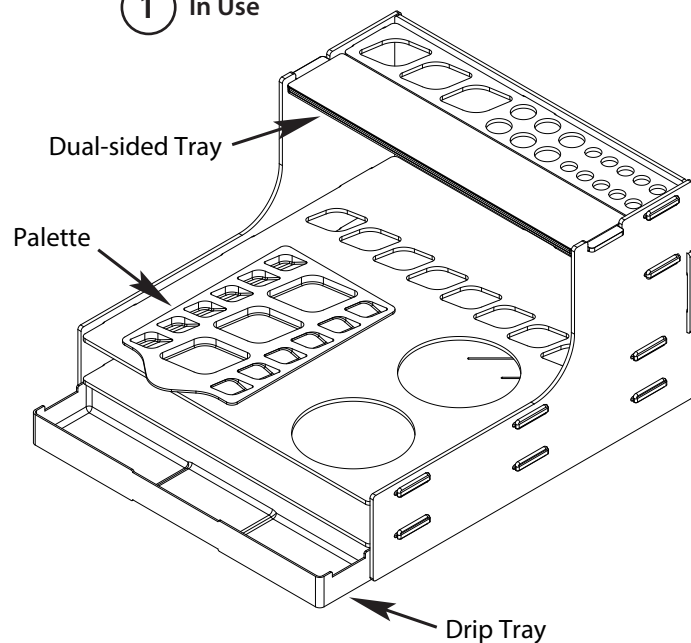

Base Complete!

Configurations

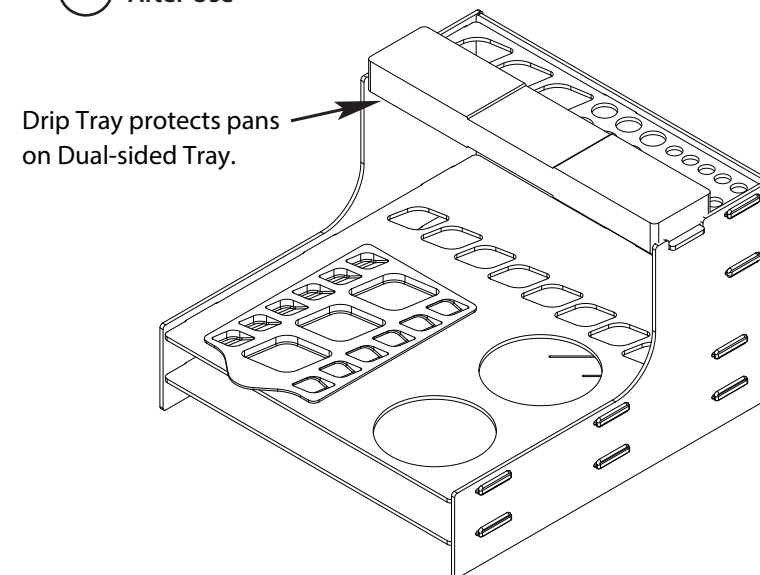

Place the Palette, Dual-sided Tray, and Drip Tray in your desired configuration.

① In Use
